Dear Colleagues, Stakeholders, Other Organisations

It is with great pleasure that we extend an invitation to our 4th Annual Teddy Bear Foundation Research Day on the 6th December 2019 in the Auditorium from 8h30 – 12h00:

“From challenges, interventions and innovations”

Please join us in sharing in the insights that have resulted from some of the studies that we have conducted over the course of 2019.

1. Exploring Teddy Bear Foundation social workers’ perceptions on effective therapeutic interventions for children that have been sexually abused - By Carlos de Almeida

2. Exploring inner city perceptions of adolescent sexual activity and relationships in the context of family planning amongst 18- and 19-year olds, Johannesburg – by Tanika Mancer

3. Learning from students about school safety in Gauteng – Shaheda & Sheri

4. The importance of good nutrition: Getting to the root of violence prevention for child protection – by Sheri Errington, Dr Shaheda Omar and Dr Farida Mia

Please RSVP by the 22 November to Hannelie (hanneliev@ttbc.org.za)
